Sn	CIL Course code	Domain	Est. Time (mins)	Course Title
1	CA-BCD003	Cloud Engineering	240	Shared Responsibility Model
2	CA-BCD004	Cloud Engineering	90	Cloud Service Providers (CSPs) and Cloud Service Consumers (CSCs)
3	CA-BCD008	Cloud Engineering	80	Introduction to Azure Fundamentals
4	CA-BCD009	Cloud Engineering	90	Microsoft Azure Fundamentals: Describe Cloud Concepts
5	CA-BCD010	Cloud Engineering	150	Azure Fundamentals: Describe Azure Management and Governance
CP	N/A	N/A	N/A	Checkpoint Pass the Azure AZ-900
6	CA-BCD011	Cloud Engineering	120	Digital Transformation with Google Cloud
7	CA-BCD012	Data Engineering	120	Innovating with Data and Google Cloud
8	CA-BCD013	Cloud Engineering	120	Infrastructure and Application Modernization with Google Cloud
9	CA-BCD014	Cloud Engineering	90	Understanding Google Cloud Security and Operations
CP	N/A	N/A	N/A	Checkpoint Pass the Google Digital Leader Certification Exam
10	CA-BCD005	Cloud Engineering	60	AWS Cloud Practitioner Essentials: Cloud Concepts (ID: E-VZ76P1)
11	CA-BCD006	Cloud Engineering	240	AWS Cloud Practitioner Essentials: Core Services (ID: E-VRYG31)
12	CA-BCD007	Cloud Engineering	600	AWS Cloud Practitioner Essentials (ID: E-N0539V)
CP	N/A	N/A	N/A	Checkpoint Pass the AWS Cloud Practitioner Exam
			2000	33 hours 20 minutes

- You are advised to take the course in the order above.

- After course number 5, you should be able to pass the Azure AZ-900 exam.

- After completing course number 9, you should be able to pass the Google Cloud Digital Leader Exam.

- After completing course number 12, you should be able to pass the AWS Practitioner Exam.

- Best to buy the AWS vouchers from CIL.

- If you are having challenges buying vouchers, reach out to Blessing Nwojiji.

- If you don't have access to your course and you have not reset your password, please do so.

- If you have already reset your password, you should reach out to Blessing Nwojiji for resolution (or fill out the form in your module 3 congratulatory mail or message on slack)
